

(Maternity) Electronic Personal Health Record (ePHR)

Would you like to have access to you maternity records online?

If you are a pregnant woman who is yet to book at a trust in Cornwall you can have access to your electronic Personal Health Record.

Once you have access you will be able to complete your past medical and surgical history ready for your first appointment with your midwife.

You will be able to see PDF copies of your:

- Antenatal appointments
- Labour and delivery notes
- Maternal transfer to community care following birth
- Postnatal appointments
- Final discharge from care

You will be able to complete an electronic birth plan which will be available to your midwife on the trusts maternity system.

You have access to safe maternity information in the form of leaflets and websites to help you be well informed throughout your pregnancy.

Access to your ePHR will be available from the time you are authorised until 60 days after the birth of your baby.

If you would like access to your ePHR please contact the maternity IT team on 07557172389.

The maternity IT team are based at The Royal Cornwall Hospital. They will organise access to your ePHR and help you through the authorisation process over the phone. Once you have access you can log in through a website with your own password on any device you choose such as a phone, tablet or PC.

Please note this is for new pregnancies only.

Remember to keep your password secure and your personal data safe
